

GLYSANTIN® G40®

GLYSANTIN® G40® is a premium-grade coolant that belongs to the new generation of GLYSANTIN® products. This product employs hybrid organic acid technology (Si-OAT). It combines the advantages of coolants that contain silicates and those that are free of silicates, i.e. excellent protection from corrosion and a long working life.

GLYSANTIN® G40® is colored red.
